What should you do when magic doesn't hit your opponent?
For that, it's more than just magical power and precision. You need another skill you can use.
I see... A second skill! huh... Fate-chan has speed and Hayate-chan has area covering...
Ah
What about you Nanoha-chan?
Eh?
It's not "going to hit". It "hit" nano.
Eeeeek!

I don't understand what you're saying
So it seems I have to just do it
The light of judgment
on the criminals
Gather within my hands
and become a sword that cuts through doubt
Full power!!
Dibgawsedef
Hahah...
You bit your tongue! Your tongue!
Gugugu

Nano 163 The Last Supper_nano.

Master, at this rate we really should do some work to help...
Just don't worry about anything and eat up Zafira.
There are seconds~

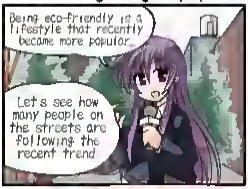
Nano Idx: The great cycle of life, nano.



Being eco-friendly is a lifestyle that recently became more popular.
Let's see how many people on the streets are following the recent trend

Yes, if we keep advertising the ecological benefits by the next period we can maintain our shares~
Yes, I'm still hijacking that other company's eco-friendly line of goods
Ah, also deposit the money at the usual account Thanks~

Nano 165 Burnt well, nano.

About the issue of abandoned pets running wild and victimizing residents
let's hear what people on the streets think of this topic
Um I'm not really in the know but
I really pity the ones that lost their homes...
The owner shouldn't be so irresponsible!
Owners who abandon their pets should be punished!
Hmm?

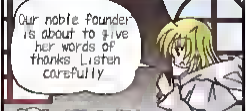
Nano 168. Anything viewed through the eyes of faith seems perfect nano



Originally the cat is said to be a creature who brings fortune.
To align our spirits with those cats and talk to the heavens that is what th e Cat Ears Yogenn Cult is about.
Believe! If you do then a miracle is sure to occur in front of us!

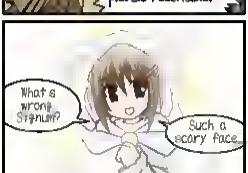
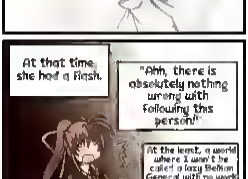
Name 170: About time to open one's heart now.





At that time, she had a flash.
"Ahh, there is absolutely nothing wrong with following this person!!"
At the least, a world where I won't be called a lazy Shihtzu General with no work or appearances would not be very nice.
